Three breakout sessions will be offered on Saturday. Please indicate the one you are most interested in so that we can have supplies available.

Be Still. A worshipful time of meditation and prayer. Scriptures about God's character and attributes will be shared during a time of rest, relaxation, and being still with the presence of God.

Be Present. Do you find it difficult to balance technology and life? Do you find yourself struggling with disconnecting in order to connect with others? How do you lead your family in navigating the technology driven world? Discuss these topics and more as you learn some resources with how to find that balance.

Be encouraged. Are you looking for a meaningful way to study God's word? Learn how to reflect and record your thoughts and feelings during your devotions as you learn more about Bible Journaling.

Three optional craft sessions will be offered. Space is limited and will be filled in the order registrations are received. If you would like to participate, please indicate which session you are most interested in. There is an additional cost for supplies. If choosing the wooden sign, choices will be communicated with you when registration is received and more information will be on the Facebook page.
